

**St. Xavier's Institute OF Education  
2020-2021**

**Staff Development Report**

**Objectives**

- 1.Ensure knowledge enhancement among faculty members
2. Facilitate a platform to share new thoughts and ideas
3. Provide opportunities to explore innovative ideas.
- 4.Sharing of new knowledge for professional growth of staff members.

Staff development is important to the management as well to the faculty members themselves. One of the ways development of staff is conducted is during the staff meeting. During each staff meeting a particular staff is requested to present a paper, a thought idea or any researches done. Such presentation helps the colleagues and initiates thinking among the staff members.

**Staff wise list of presentation**

Sr.No	Name of the Staff	Title/Topic of Presentation	Date presented
1	Ms.Priti S	Suggestopedia Method of Learning	3 <sup>rd</sup> July 2020
2	Ms.Meena Suryavanshi	Improving Research Visibility	27 <sup>th</sup> August 2020

9	Dr. Geeta Shetty	Multidisciplinary approach- Perspectives and Strategies	26 <sup>th</sup> March 2021
10	Ms Kalpana Chavan	Emerging Mindscape in VUCA Landscape	23 <sup>rd</sup> April 2021

The staff members presented papers as list above. The topics range from innovative method of teaching like Suggestopedia Method of Learning, Design Thinking in Education & Multidisciplinary approach – Perspectives and Strategies. Few were research based like Improving Research Visibility to A study of Impact of COVID 19 Pandemic Society. Few presentations included on ways to resolve conflict and also transition observed in the talent among the young generation.

Presentation by staff members was followed by intellectual discussion among the staff members. The Intellectual discussion also led to ideas and practices that could be adopted by staff members during their teaching learning program and internship program. The sessions were motivating and provided food for thought to the staff members in their role as teacher educators

**Outcome of the Staff Development Research Sessions**

- 1.Pooling of Ideas and thoughts
2. Scope of implementing ideas in the teaching learning process
- 3.Research further on the topic/concept/idea
