Dear Students

To summarise what you have to prepare for the exam, please check your syllabus. Gender-related issues - we have done Dowry and Workplace discrimination. Also Sexual Abuse and Cyberbullying. When you are doing these you have to learn the acts related to these which we had done in the self-regulated learning.

National Policy for Empowerment of women - is very important and is also there in this LMS stream. Please go through it. Module 2 Unit 4: Meaning of Gender Challenges in schools, and role of school, peers, curriculum, teachers and textbook all were done in detail. Construct of gender in NCF 2005 was also completed and write the exact points written there

Contemporary women role models some were presented you can write your own also, so that's from my side.
